

HOW TO GET TO US?

Coming by car

You can park at The Real Factory (our office building), by entering the parking via the Dendermondsesteenweg.

There is a big pharmacy (with green sign) at the entrance.

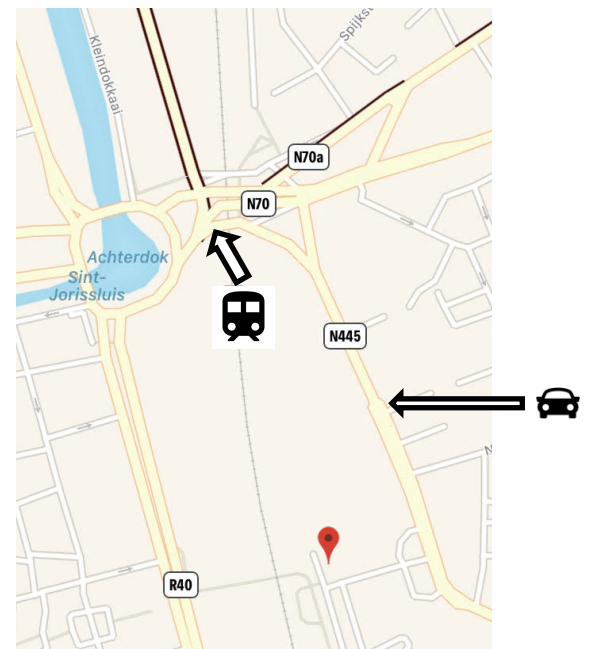

When entering the parking the barrier will open automatically.

Drive to the building and you will find the AM-Team visitor parking right behind the entrance door (here on the picture) at your right hand side.

Coming by train

Take the train to Gent-Dampoort. Leave the station to the right, pass under the train tracks and take a 10 minute walk on the Dendermondsesteenweg to The Real Factory.

Turn right at the pharmacy (with green sign) onto the business centre.

Entering the building

You'll find us in the 'glass house' at the ground floor.
